No Quorum

We discussed the ongoing issue of not having enough community councillors to form a quorum, we discussed the possibility of folding the CC but decided that we would give it another try. We decided that we would take out an advert in the Clydebank Post in an effort to enlist new members.

Tom said he would speak to the Clydebank Post and arrange an advert to run.

We discussed the ongoing issues of bus services to Duntocher on a Sunday but no action could be taken as we couldn't form a quorum.
