The meeting opened with Jackie notifying the other councillors of her intention to resign, this was due to the lack of support from the community in general and a feeling of frustration that, as a community council we had been unable to achieve very much over the last 2 years.

Tom then followed with his intention to resign, he added that he had intended waiting until the AGM but thought that perhaps now was as good a time as any.

Pamela and Kirsty then both said that they had come to the meeting with the sole intention of resigning due to a feeling of frustration at the lack of progress we had made since they had joined us.

Margaret also said that she was unwilling to continue.

A vote was taken as to whether the Community Council should continue and the decision to close was carried by 6 to 2.

John expressed a desire to carry on with the council but the decision was made that if he wanted to he would need to recruit a number of councillors.

We decided that John should have the bookd audited and the process of closing DHCC should be started.

Jackie will contact Suzanne Greer to inform her of our decision.

A public meeting has been arranged for 7.30 pm on 11th Sept in Glenhead Community Centre.

Meeting closed at 8.30. Please send apologies if you are unable to attend.
