Actions

Policy has a negative impact on an equality group, but is still to be implemented, please provide justification for this.

No negative impact

Will the impact of the policy be monitored and reported on an ongoing bases?

Ves

Q7 What is you recommendation for this policy?

Intoduce

Please provide a meaningful summary of how you have reached the recommendation

The policy is aimed at improving house conditions by enabling essential repair works to go ahead that otherwise would not happen without Council intervention. The policy will assist those home owners who cant afford to pay costs of essential common repair costs.
