	including the Concord Centre which can accommodate sporting activities as well as provide meeting space. A number of these groups may feel that the Concord can better accommodate their needs.	Hall.	
Disability	In West Dunbartonshire this is not the case with 23.1% of the population reporting long-term activity-limiting health problems or disabilities. Having civic space in both Dumbarton and Clydebank will be a great benefit to disabled residents with shorter distances to travel to access civic venues.	Disability groups or organisations based within West Dunbartonshire who have registered charitable status and are formally constituted or are local branches of national disability charities and local 'not for profit' community groups are eligble for a 25% discount on hire during normal operational hours.	The new civic space at the Dumbarton Town Centre Office will foster good relations with disabled residents who are unable, through their disability, to travel long distances to either Clydebank or Dumbarton.
