What does the data say?

The latest results for 2018/19 show that West Dunbartonshire has performed above target and has increased from the previous year. Also performing above the Scottish average and our statistical neighbour of Inverclyde.

Many indicators focus on academic success, which can vary year on year by cohort. As such, Education, Learning & Attainment carry out trend analyses to ensure improvement over time.

The data for 2019/20 will not be available until Feb 2021.
