

## Priority 2

Objective 2:

Enhanced Life Chances

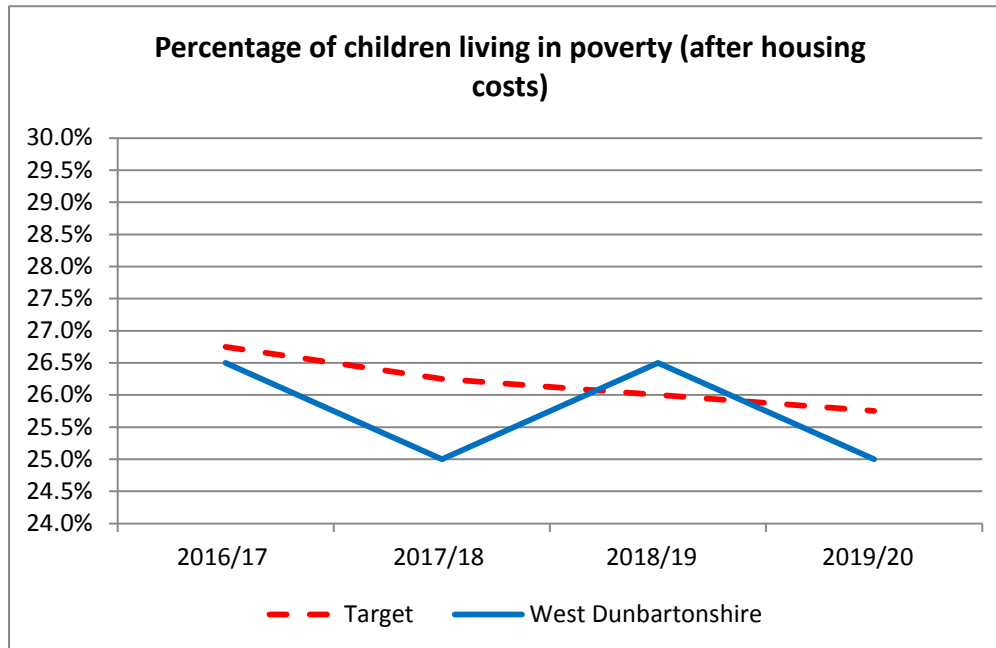

Indicator:

% of children living in poverty

Target:

25.75%

***What does the data say?***

Results for 2019/20 show a decrease in the percentage of children living in poverty in West Dunbartonshire representing a 1.5% decrease from the previous year. This is marginally below the target.

Data from April 2020 shows there were 4832 children living in poverty in West Dunbartonshire, which equates to 25% this is above the rate for Scotland which is 22%.

A number of targeted actions have been agreed for the coming year to address child poverty.

Targets for this indicator will continue to reduce year on year.
