

Priority 5

Objective 1:

Committed and skilled workforce

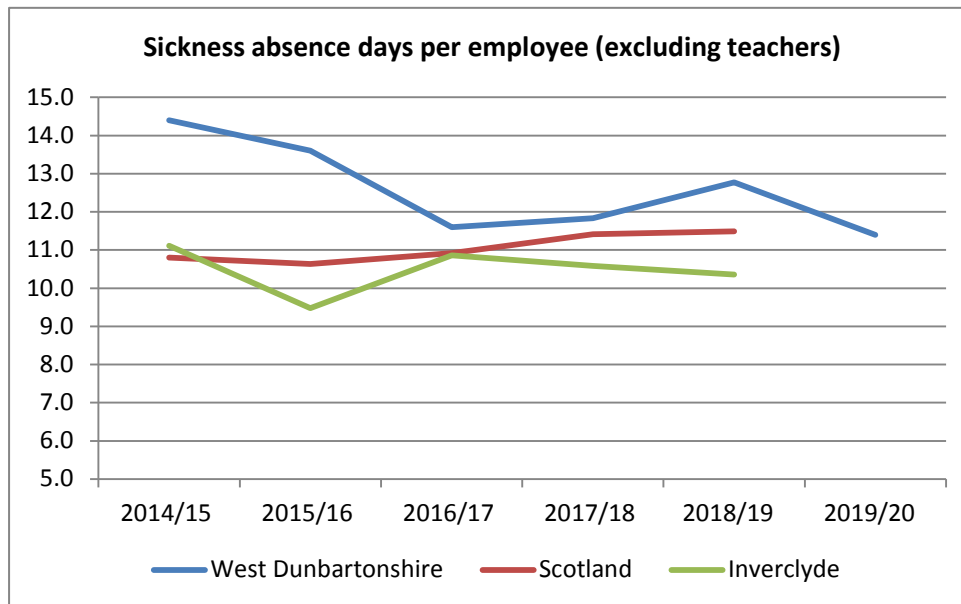

Indicator:

Sickness absence days per employee
(excl. teachers)

Target:

9 days

What does the data say?

Results for 2019/20 show that there has been an improvement in the previous year's performance in reducing the number of sickness absence days per employee. Performance shows 2.4 days above the target set for West Dunbartonshire.

Comparatively performance in 2018/19 against our statistical neighbour of Inverclyde and against the Scottish average was less favourable.

Work continues in this area to promote employee health and wellbeing.
