A committed and skilled workforce

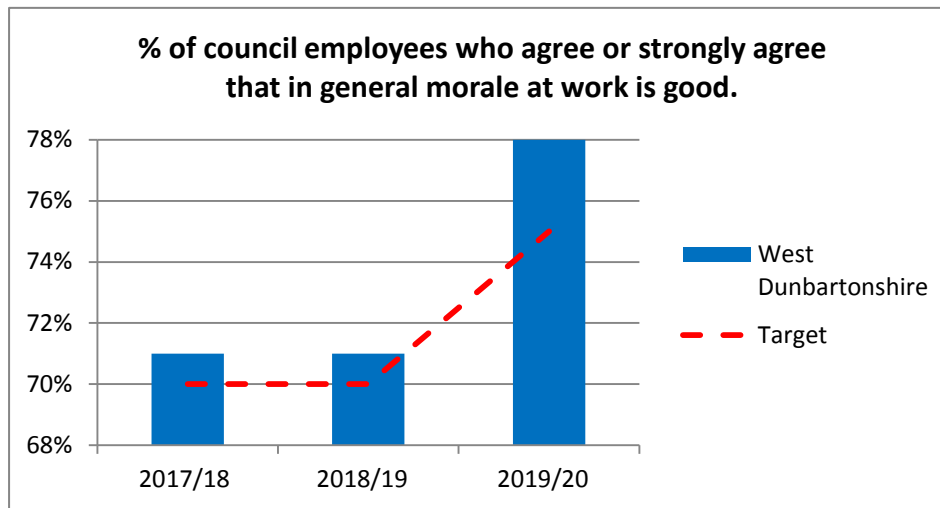

Indicator:

Percentage of Council employees who agree or strongly agree that in general, morale at work is good

Target:

75%

What does the data say?

Performance for the biannual survey carried out in 2019 exceed target by 3%. The monitoring of employee satisfaction is carried out through an employee survey every 2 years.

In late 2019 additional workshops were carried out using information from the employee survey to identify areas for improvements across a range of key employee related areas.
