

# Priority 1

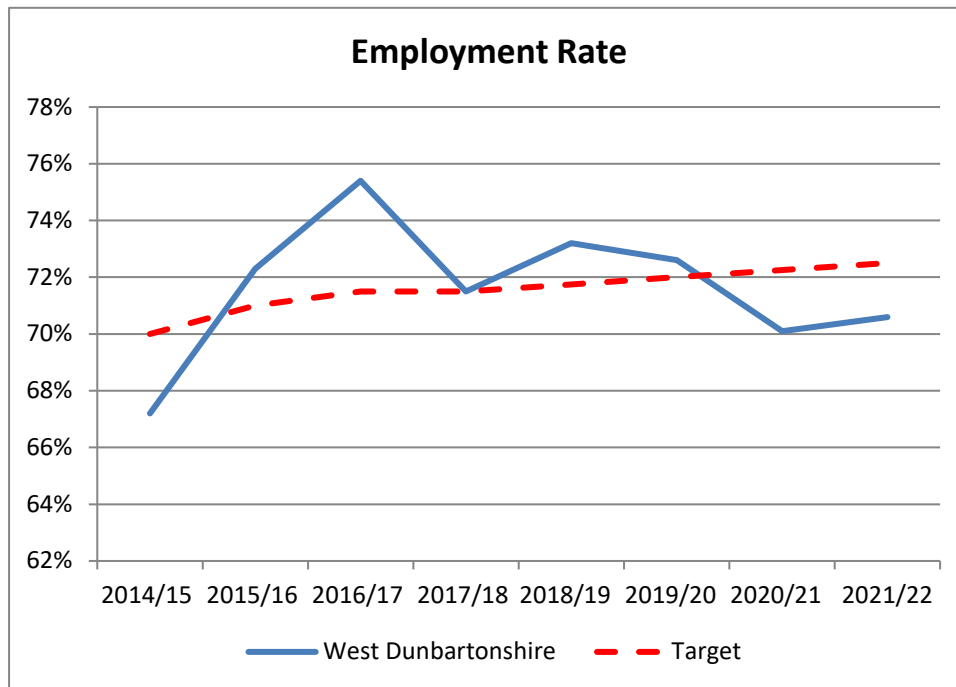

**Objective 2:**  
Increased employment and training opportunities

**Indicator:**  
Employment rate

**Target:**  
72.5%

**What does the data say?**

Results show that the employment rate for 2021/22 is an improvement from the previous year by 0.5%, rising to 71% but is below the target of the 72.5%. Data relates to period Jan- Dec 2021.

Working 4U contributed to this result by assisting people to secure employment.
