

Priority 1

Objective 1:

Increased skills for life & learning

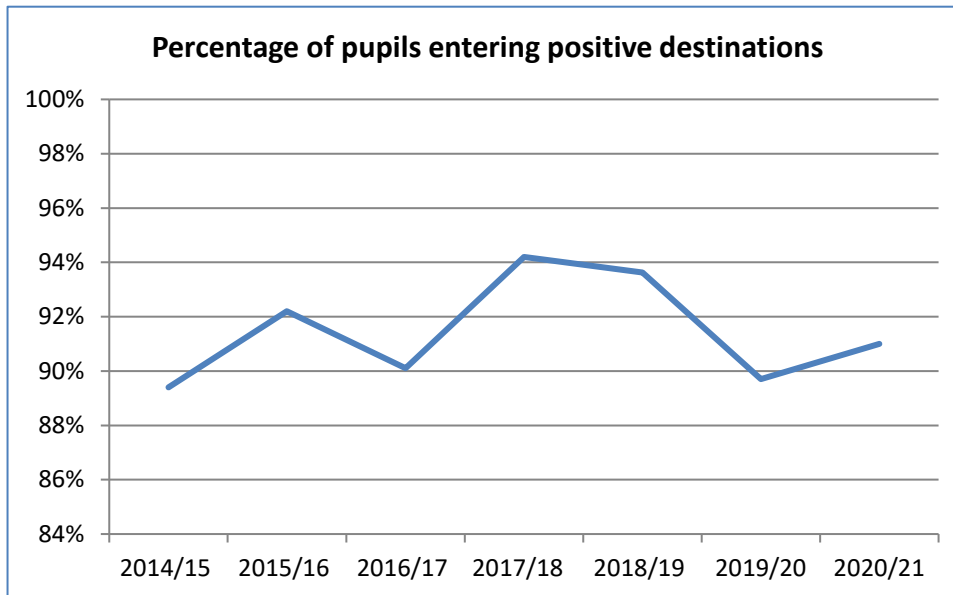

Indicator:

% of pupils entering positive destinations

Target:

92.5%

What does the data say?

Between 2019/20 and 2020/21, % of school leavers in positive and sustained destinations has increased by 1.3 percentage points to 91.0%. This is 3.5 percentage points below the Scottish average of 95.5%. It is 1.5 percentage points below the target of 92.5%, which has not been met for this indicator.

21/22 data will be available from the Skills Development Scotland School Leaver Destination Return (SLDR) in December 2022.
