

# Priority 2

## Objective 1:

More affordable and suitable housing options

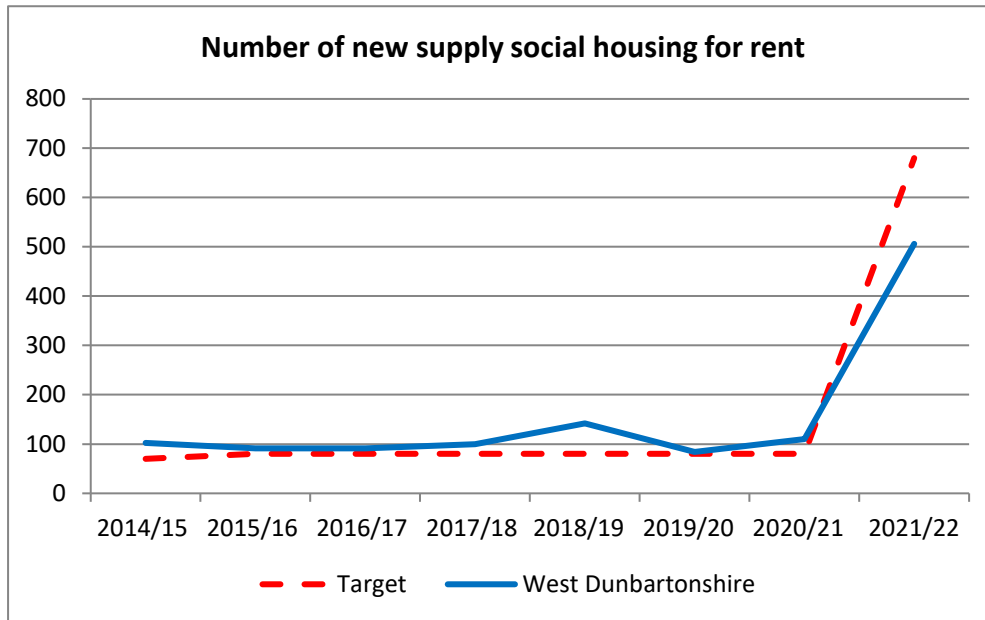

## Indicator:

Number of new supply social housing for rent

## Target:

680

### What does the data say?

For the year 2021/22 there were 506 houses delivered against a target of 680, the target was not met. Over the last 5 years a total of 942 homes have been delivered against a target of 1000.

The aim was that the “More Homes West Dunbartonshire” approach would deliver 1000 new homes for social rent by 2021. In year 5 (2021/22) the delivering new homes fell slightly short of target, caused by delays due to the pandemic.
