

Priority 4

Objective 1:

Equality of access for all residents

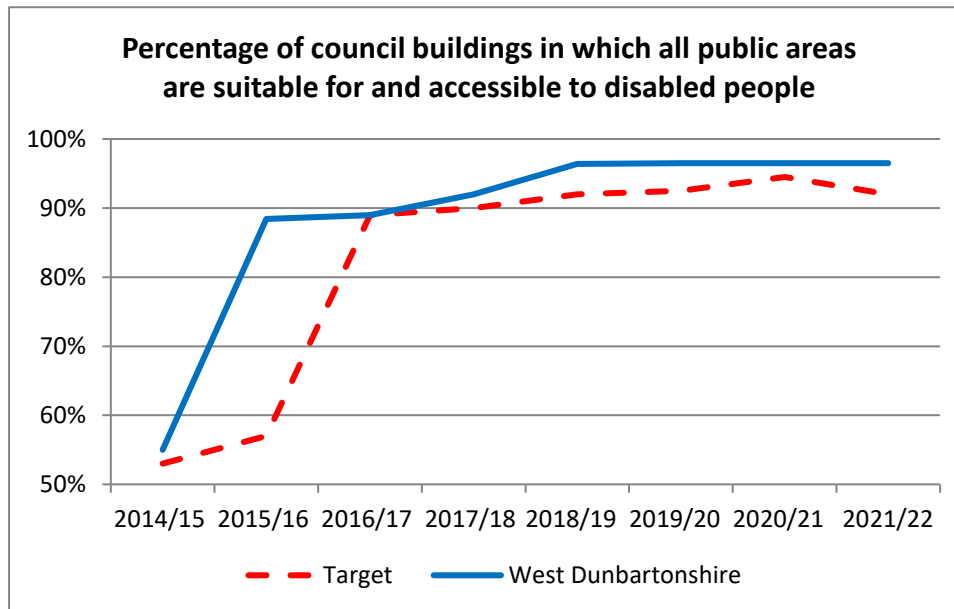

Indicator:

Percentage of council buildings in which all public areas are suitable for and accessible to disabled people

Target:

92.0%

What does the data say?

Results for 2021/22 show that the target has been exceeded by 4.5% points. The percentage of council buildings accessible to disabled people has remained consistent since 2018/19.

This measure is regarding any “Council building” which provides a service and at least a part of it is usually open to the public. This does not include educational establishments or residential homes.
