

Priority 5

Objective 3:

Sustainable and attractive local communities

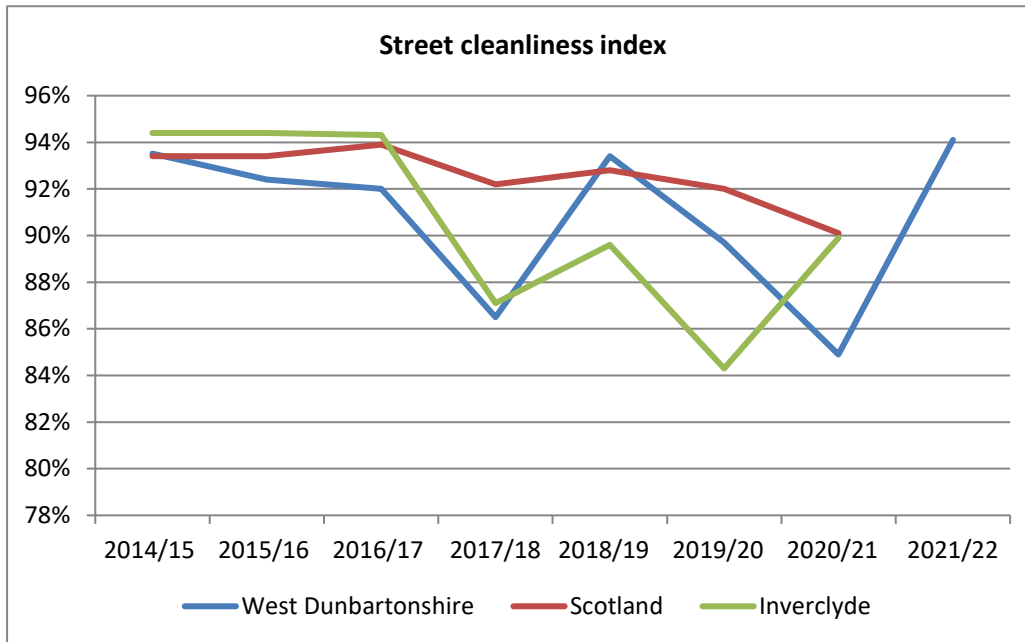

Indicator:

Street cleanliness index

Target:

93.0%

What does the data say?

Performance in 2021/22 has improved compared to the previous year and has exceeded the target. Comparatively performance in 2020/21 was below that of both our statistical neighbour Inverclyde and the Scottish average.

Data for this indicator is sourced from Keep Scotland Beautiful.
