

Priority 5

Objective 3:

Sustainable and attractive communities

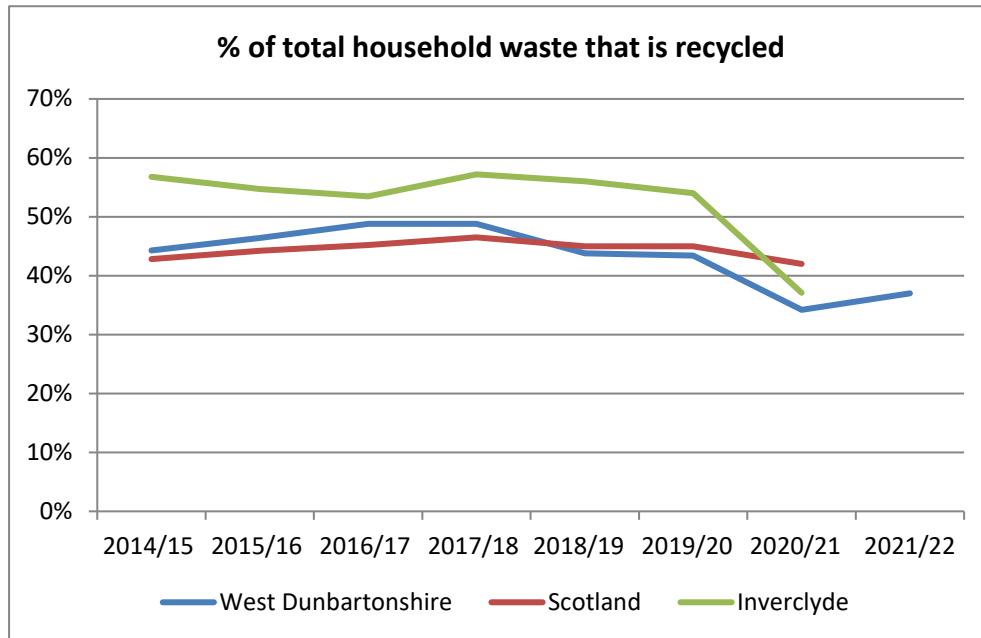

Indicator:

% of household waste that is recycled

Target:

60%

What does the data say?

Results for 2021/22 show that performance increased 2.8% from the previous year but the target set was not met. Performance for 2020/21 sits below both the Scottish average and the statistical neighbour of Inverclyde.

Work continues in trying to increase recycling rates and for West Dunbartonshire Council to meet its recycling objectives.
