

Typical Pre-App Framework Process

Inception Meeting

The inception meeting brings together key members of the applicant and authority team. The aim of the meeting is to facilitate a discussion about all parties aspirations for the application.

The meeting should seek to outline a strategic brief for the application and inform the agenda for Workshop 01 in response.

Phase 1 Completion

At Phase 1 completion the key strategic elements of the application should be agreed by applicant and authority, including any necessary consultees.

Proposed representative drawings produced at this stage, with key information prepared for P+D Panel. Report to inform Phase 2.

Phase 2 Completion

At Phase 2 completion further detail regarding the proposed application to be agreed. (dependant on app type - may include landscape proposals, house types, materials etc)

Proposed representative drawings produced at this stage, with key information prepared for member briefing.

Phase 3 Completion (App. Sub.)

At Phase 3 completion necessary detail to be captured in response to member briefing and feedback.

Proposed representative drawings produced to capture key details of proposal within application material.
